

Sydney Holleron

March 27, 2025

As a Paraplanner at QuadCap, Sydney plays a crucial role in supporting financial advisors by preparing detailed investment and financial planning reports, managing client accounts, and facilitating clear communication between clients and advisors. She collaborates closely with both parties to ensure timely, accurate service, contributing to the success of the advisor's planning efforts.

Sydney joined QuadCap in 2025 after launching her career as a Financial Analyst at Goldman Sachs Ayco.
